# Summer School

in Intercultural and International Management  
11 July to 25 July 2025  
in Bonn | Germany

*Focus on International Management*

Qualified teachers specialized communication training,  
management and economics | 6 ECTS | Visits to major  
European institutions in Frankfurt and Brussels

## Our Program in detail

The Summer School 2025 is designed for students and young professionals worldwide with a strong interest in intercultural and international management.

Additional highlights include a visit to the European Parliament in Brussels and the German Central Bank in Frankfurt.

The program runs just over three weeks and takes place from 11 July to 25 July 2025. Each week is dedicated to a special topic.

### Weekly topics

14 July – 19 July 2025: Intercultural Management, Excursion to Frankfurt (3 ECTS) | fee: €1000

21 July – 26 July 2025: International Management, Excursion to Brussels (3 ECTS) | fee: €1000

### Students will

- learn about intercultural management skills,
- improve communication skills in an international business environment,
- gain an overview of different management skills in business administration and economics with an international focus,
- understand the main principles of international economics,
- learn about international trade and international capital markets from the perspective of the European Union,
- develop critical reasoning skills, and
- improve organizational and personal skills.

Anne Pagano | Phone: +49 228 204-9951

Since 2003 the HFM University of Applied Sciences for Finance & Management (University of the Savings Banks Finance Group) has offered high-performing employees of financial institutions the opportunity to obtain an internationally recognized academic degree alongside their vocational training or professional activity. Further information about the undergraduate and graduate degree programs: [www.s-hochschule.de](http://www.s-hochschule.de).

## Application & Fees

The application deadline is 11 April 2025. The fee for the whole summer school is €2,000.00. We offer an early-bird discount of €200 if you register for the entire program by 14 March 2025. The price includes all course fees, excursions and entrance fees, insurance (health, liability, and accident), public transport and lunch. Accommodation, arrival and departure flights, and airport transfer are not included.

Use the application form to register for our Summer School program 2025: [www.s-hochschule.de/summer-school](http://www.s-hochschule.de/summer-school)

### Some facts about the city of Bonn

Bonn is well-known as the former capital of West Germany. It is a university city and has an international standing as a science location. It is also known as Germany's United Nation City and the Birthplace of Ludwig van Beethoven, a famous German composer and musician. Bonn is nearby Cologne and Frankfurt.
